MOVE IN

“ Since moving in we have been made to feel very welcome by everyone here and all requests that we have had have been dealt with very quickly.

10 out of 10 for customer service and the general atmosphere created by the staff.

I wish we had been here years ago.

”

Simon Harris, Alto Digital

“ I've moved from studio to studio in London searching for one that works for me both creatively and professionally and Newman is absolutely perfect.

As a young female working alone, sometimes into the evening, I've never felt so safe - the security system is fantastic.

The atmosphere is warm and friendly, and the staff go above and beyond to make you feel welcome and super comfortable.

The studios are stunning - I have 2 large opening windows so I get to enjoy the sunshine pouring through the room each morning.

I can't see myself leaving any time soon. Would highly recommend!
